Technical Details

The Eurobanker 44 Trawler, manufactured by Modern Boat Corporation, is a cruising boat designed to offer comfort and performance on the water. This trawler is ideal for long voyages and trips with family or friends.

Main Features:

- Overall Length: 13.41 meters (44 feet) -
- Beam: 4.27 meters -
- Draft: 1.22 meters -
- Displacement: Approximately 20 tons -
- Fuel Tank: 1,500 liters -
- Freshwater Tank: 900 liters -

Engine:

The Eurobanker 44 Trawler is generally equipped with reliable diesel engines, often Cummins or Yanmar, offering a total power of about 300 to 400 horsepower. These engines allow for a comfortable cruising speed of about 8 to 10 knots, with a maximum speed reaching up to 12 knots.

Interior Layout:

This trawler features several cabins and saloons, offering spacious and comfortable living space. The main cabin is often located at the bow, with comfortable bedding and ample storage. The bathroom is equipped with a shower and electric toilets. The main saloon is located at the stern, offering a stunning view of the exterior thanks to large windows.

Equipment:

The Eurobanker 44 Trawler is equipped with numerous modern amenities to ensure safe and enjoyable navigation. It generally includes a GPS navigation system, radar, depth sounder, VHF radio, as well as safety equipment such as life jackets and fire extinguishers.

Comfort and Leisure:

For passenger comfort, the boat is equipped with air conditioning, a heating system, and a well-equipped kitchen with a refrigerator, freezer, and cooktop. Outside, a spacious cockpit allows you to enjoy days at sea, while a swim platform facilitates access to the water.

The Eurobanker 44 Trawler from Modern Boat Corporation is an ideal choice for those seeking a robust, comfortable, and well-equipped cruising boat, perfect for extended voyages and marine adventures.
