Divers

Comments : The marine qualities of the ARCOA 975 have always been recognized, as much for its reliability as for its stability and the performance of the hull.

This versatile 9.75 X 3.40 boat can be used for day trips as well as stable nights at anchor, or fishing days and even cruises of a few days with family or friends.

The 250 W solar panel keeps the batteries charged during prolonged moorings.

Equipment

Radar, Raymarine GPS plotter

Fixed Vhf RO4800 (ocean radio)

TV / Radio and speakers on cockpit arch

Electric windlass

Mooring line 30 meters of chain, 20 meters of lines and anchor 14 Kgs

Shore charger, 220 volt circuit

Electric and manual automatic bilge pump

200 liter water tank

Diesel fuel tanks 2 x 300 liters

Family life on board is comfortable thanks to a forward cabin with a headroom of 1.70 and a 180 X 130 bed, the 2 niches, the 110 high and 40 cm wide wardrobe, the drawer and the lockers under the bed complete the equipment of this cabin.

The headroom of the saloon is 1.90 and once the table is lowered, the seats and the table turn into a 180 X 120 bed.

The kitchen has 4 cupboards under the sink and worktop + a high cupboard, a gas oven, a 12/220 fridge, and a 3-burner gas stove.

The aft cabin with a height under the bar of 190 at the entrance and 130 above the bed of 190 X 140. A wardrobe with a height of 150 and a cabinet of 70 X 45 complete this spacious aft cabin.

The marine toilet area, bathroom with shower and washbasin has a headroom of 185.

The 2.80 X 2.80 cockpit is secured by a high freeboard of 0.70

A file including invoices, compression tests and expertise is available
