Technical Details

CATALAC 8 by Ayoni Works (GB)

The CATALAC 8 is an elegant and high-performance catamaran designed by Ayoni Works, a renowned British manufacturer known for its innovative and high-quality boats. This catamaran is ideal for sea lovers, offering a perfect balance between comfort and performance.

Main Characteristics:

- Overall Length: 8 meters -
- Width: 4.2 meters -
- Draft: 0.6 meters -
- Displacement: 1,500 kg -
- Sail Area: 45 m² -
- Fuel Capacity: 100 liters -
- Fresh Water Capacity: 200 liters -
- Sleeping Capacity: 4 people -

Design and Construction:

The CATALAC 8 is built with high-quality materials, including a carbon fiber hull and composite decks. This lightweight and robust construction ensures great durability and optimal performance at sea.

Performance and Maneuverability:

Thanks to its V-shaped keel and transom-hung rudder, the CATALAC 8 offers excellent stability and exceptional maneuverability. It is equipped with a 10 HP auxiliary engine, allowing safe movements even in light winds.

Onboard Comfort:

The interior of the CATALAC 8 is spacious and well-designed, with comfortable sleeping accommodations for 4 people. The kitchen is equipped with all necessary utensils for prolonged voyages, and storage spaces are abundant.

Safety Equipment:

The CATALAC 8 is equipped with all necessary safety equipment, including life jackets, a repair kit, and a VHF communication system. It is also fitted with navigation lights for optimal visibility at sea.

Ideal For:

The CATALAC 8 is perfect for couples or small families looking to explore the coasts or sail in open waters. Its versatile design and exceptional performance make it an ideal choice for sailing enthusiasts and experienced navigators.
