Technical Details

The ETAP 34S is a cruising sailboat designed by the manufacturer Etap, known for its robust and high-performance boats. This model is particularly appreciated for its versatility, comfort, and exceptional nautical capabilities.

Main characteristics:

- Overall length: 10.36 meters -
- Hull length: 9.96 meters -
- Beam: 3.45 meters -
- Draft: 1.90 meters (fixed keel) -
- Displacement: 5,700 kg -
- Sail area (reaching): 67 m² -
- Sail area (running): 110 m² -
- Water tank capacity: 200 liters -
- Fuel tank capacity: 60 liters -
- Engine: Yanmar 27 HP -

The ETAP 34S is designed to offer a comfortable and safe sailing experience. Its fiberglass-reinforced polyester hull ensures good rigidity and excellent resistance to impacts. The sail plan is generous, allowing for optimal performance both reaching and running.

Inside, the boat offers a spacious living area with a comfortable main cabin, an equipped kitchen, and abundant storage spaces. The deck is well-designed to facilitate maneuvers, with well-placed winches and sheets.

The ETAP 34S is ideal for sailors looking for a versatile boat, capable of sailing with family or friends, while offering high-level nautical performance.
