Owner's Comments

The owner tells us: Gobbi "Cabin Cruiser Atlantis 425 SC" model refitted in 2021/2022 (new 8-person life raft, overhauled engines and mounts, hull covering, exterior upholstery, cockpit cover, exterior teak, hydraulic gangway, appliances, black water tank), professionally maintained, and well-equipped for sailing and living aboard autonomously. New SIMRAD RS100B VHF AIS with transponder. New SIMRAD AP44 autopilot. Integrated dinghy storage with winch. Two large double cabins with TV wiring. Spacious saloon with equipped kitchen, new fridge, TV, and leather upholstery. Outdoor kitchen with grill and built-in fridge. Reversible air conditioning. Generator set, converter. Desalinator (needs servicing). New 106L black water tank. 3 x 180A batteries from 2020. 2021 battery charger. Hard top, new winter and sun covers. BEZENZONI hydraulic gangway. Video available online. More details, invoices, and visit upon request. Last maintenance and hull cleaning summer 2025. Mounts overhauled in 2024 and 2025. Choosing a boat like the Gobbi 425 SC can be motivated by several reasons, including its technical characteristics, design, and specific advantages it offers over competitors. Here are some strengths and assets of the Gobbi 425 SC: 1. Design and Comfort - Elegant Italian Design: The Gobbi 425 SC is renowned for its elegant and refined Italian design, offering a modern and attractive aesthetic. - Onboard Living Comfort: This model offers a spacious interior with high-quality finishes, ensuring optimal comfort for family or friend cruises. The cabins are well-appointed with great attention to detail. 2. Nautical Performance - Maneuverability and Performance: The Gobbi 425 SC is designed to offer excellent maneuverability and superior maritime performance, making it an ideal choice for fast and comfortable cruises. - Powerful Engines: Equipped with powerful engines, this boat ensures smooth and fast navigation, while offering good fuel consumption. 3. Equipment and Technical Characteristics - Advanced Technology: The boat integrates modern navigation equipment and advanced electronic systems, facilitating management and safety on board. - Optimized Exterior Spaces: The exterior spaces are well-designed, with relaxation areas, a sunbathing area, and a convivial cockpit space. 4. Reliability and Safety - Robust Construction: The Gobbi brand is recognized for the robustness and reliability of its constructions, ensuring increased durability and safety at sea. - Certifications and Standards: The boat complies with maritime standards and certifications, ensuring compliance with international safety standards. 5. Value for Money - Investment Value: The Gobbi 425 SC offers an excellent value for money, with luxury features often reserved for more expensive models. - Reasonable Maintenance Costs: Compared to some competitors, the maintenance and upkeep costs of the Gobbi 425 SC are relatively reasonable, adding to its financial attractiveness. Comparison with Competitors - Competitive Brands: Compared to brands like Sunseeker, Princess, or Fairline, the Gobbi 425 SC stands out with its distinctive Italian design and often more attractive value for money. - Customization and After-Sales Service: Gobbi often offers customization options and attentive after-sales service, which can be an advantage over some other brands. In conclusion, choosing a Gobbi 425 SC for cruising is often justified by its elegant design, solid performance, comfort, and competitive value for money. These assets make it an attractive option for boaters looking for a reliable and well-designed boat.
