Technical Details

Maracudja 42 by Garcia

The Maracudja 42 is a sailboat designed by the renowned builder Garcia, known for its robust and comfortable cruising boats. This 42-foot model is particularly appreciated for its sea performance and onboard comfort, making it an ideal choice for long-term sailing enthusiasts.

Main Characteristics

- Length Overall (LOA): 12.80 meters -
- Beam: 3.97 meters -
- Draft: 2.10 meters -
- Displacement: 10,500 kg -
- Sail Area (close-hauled): 78 m² -
- Sail Area (reaching): 120 m² -

Comfort and Equipment

The Maracudja 42 is designed to offer optimal comfort on board. It has three double cabins, accommodating up to six people. The main cabin is spacious and well-lit, with high-quality finishes. The kitchen is equipped with everything needed to prepare complete meals, and the salon offers a cozy living space.

Performance and Maneuverability

Thanks to its fiberglass hull and lead ballast, the Maracudja 42 offers excellent stability and good responsiveness to commands. It is equipped with an auxiliary Yanmar engine of 54 horsepower, allowing for safe navigation even in calm conditions.

Safety and Reliability

The Maracudja 42 is designed to be a safe and reliable sailboat. It is equipped with all necessary safety devices, including life buoys, life jackets, and a leak detection system. The robust construction and high-quality materials ensure a long lifespan and reliability at sea.

Conclusion

The Maracudja 42 by Garcia is a versatile sailboat, perfect for family or friends' cruises. Its performance, comfort, and reliability make it an ideal choice for demanding sailors.
