## Technical Details

The AICON 52 Fly is a luxury yacht designed by the German manufacturer AICON, renowned for its expertise in shipbuilding. This used boat combines elegance, performance, and comfort, making it an ideal choice for high-end sailing enthusiasts.

Main Characteristics:

- Overall Length: 15.92 meters -
- Beam: 4.70 meters -
- Draft: 1.35 meters -
- Displacement: Approximately 30 tonnes -
- Engines: 2 x MAN V8 1000 HP -
- Cruising Speed: 24 knots -
- Maximum Speed: 28 knots -
- Fuel Tank: 2,500 liters -
- Freshwater Tank: 600 liters -

The AICON 52 Fly is equipped with two MAN V8 engines, each developing 1000 horsepower, offering exceptional power and maneuverability. Its fiberglass hull ensures optimal robustness and lightness, while its elegant design and high-quality finishes make it a true maritime gem.

Inside, the yacht features three cabins, including an owner's suite at the bow, offering a comfortable and luxurious living space. The saloon and cockpit are spacious and well-lit, with large windows providing an unobstructed view of the horizon.

The AICON 52 Fly is also equipped with cutting-edge technologies, such as advanced navigation systems, modern safety equipment, and integrated entertainment systems, ensuring a pleasant and secure sailing experience.

In summary, the AICON 52 Fly is a versatile and high-performance yacht, perfect for long cruises or occasional sea outings. Its refined design, high-quality equipment, and impressive technical characteristics make it an essential choice for luxury sailing enthusiasts.
