Technical Details

Jeanneau NC 11 is an elegant and versatile boat designed to offer a comfortable and pleasant sailing experience. This model is ideal for family outings or gatherings with friends, thanks to its numerous features that combine performance and comfort.

Main Characteristics:

- Overall Length: Approximately 11 meters -
- Beam: Approximately 3.60 meters -
- Draft: Approximately 0.90 meters -
- Displacement: Approximately 7 tons -
- Fuel Capacity: Approximately 300 liters -
- Fresh Water Capacity: Approximately 300 liters -

Engine: The Jeanneau NC 11 is generally equipped with an inboard diesel engine, providing sufficient power for serene and economical navigation. The most common engines are Volvo Penta or Yanmar, with power up to 150 horsepower.

Interior Layout: The interior of the NC 11 is designed to maximize comfort and space. It features two double cabins, a bathroom with a shower, and a spacious lounge with a well-equipped kitchen. The materials used are of high quality, offering an elegant and durable finish.

Exterior Layout: The cockpit is spacious and well-thought-out, with comfortable seating and a pleasant outdoor living space. The fore deck offers additional relaxation space, ideal for sunny days.

Electronics and Navigation: The NC 11 is equipped with modern navigation systems, including a GPS, sonar, and onboard instruments for safe and precise navigation. Connectivity options, such as Wi-Fi and USB ports, are also available for modern comfort.

Safety: Safety is a priority on the Jeanneau NC 11, with complete safety equipment, including life jackets, fire extinguishers, and a smoke detection system. The boat is also designed with stability and buoyancy features for safe navigation.

The Jeanneau NC 11 is an ideal choice for those seeking a versatile, comfortable, and high-performance boat, perfect for family outings or gatherings with friends.
