Technical Details

The Beneteau Oceanis 40 is a versatile and comfortable cruising sailboat, designed to offer a pleasant and secure sailing experience. This boat is appreciated for its balance between performance and comfort, making it ideal for outings with family or friends.

Main characteristics:

- Overall length: 12.42 m
- Beam: 3.99 m
- Draft: 2.10 m
- Displacement: 8,500 kg
- Sail area (upwind): 72 m²
- Sail area (downwind): 116 m²
- Fresh water tank capacity: 400 L
- Fuel tank capacity: 200 L
- - - - -

Design and construction:

The Oceanis 40 is built with a fiberglass-reinforced polyester hull, offering good resistance and a long lifespan. The deck is also made of polyester, with strategic reinforcements to ensure robustness and safety.

Interior:

The interior of the Oceanis 40 is spacious and well-designed, with high-quality finishes. It generally offers three cabins and two bathrooms, though two-cabin configurations are also available. The galley is well-equipped and the salon is comfortable, with a large dining table.

Performance:

Thanks to its lead keel and cutter rig, the Oceanis 40 offers good stability and excellent maneuverability. It is capable of sailing efficiently in various wind conditions, making it a reliable choice for both experienced sailors and beginners.

Safety and comfort:

The Oceanis 40 is equipped with numerous safety features, including robust guardrails, safety nets, and harness attachment points. The cockpit is spacious and well-protected, offering a comfortable space for sailing and outdoor dining.
