## Technical Details

The Searocco 1500 Trawler is a cruising boat designed by the Dutch manufacturer Altena, renowned for its robust and comfortable vessels. This model is particularly appreciated for its sea performance and elegant design, making it an ideal choice for long-distance sailing enthusiasts.

**Dimensions:** The Searocco 1500 Trawler measures approximately 14.98 meters in total length, with a beam of 4.40 meters, offering a generous interior space and optimal storage possibilities.

**Engine:** Equipped with reliable diesel engines, this boat can reach a comfortable cruising speed while ensuring moderate fuel consumption. The engines are often models from a well-known brand, guaranteeing durability and performance.

**Capacity:** The Searocco 1500 Trawler can accommodate up to 6 people on board, with spacious cabins and comfortable beds. It also features two full bathrooms, offering all the necessary comfort for extended trips.

**Equipment:** This model is equipped with numerous modern amenities, such as advanced navigation systems, a radar, GPS, a sonar, and communication instruments. The kitchen is well-equipped with a refrigerator, a freezer, and a gas stove, allowing for the preparation of complete meals on board.

**Safety:** Safety is a priority with safety devices such as life jackets, fire extinguishers, and a smoke detection system. The boat is also equipped with stabilizers to ensure stable and comfortable navigation.

**Comfort:** The Searocco 1500 Trawler offers a high level of comfort with a spacious lounge, air conditioning, and a heating system. The materials used are of high quality, ensuring durability and a well-cared-for aesthetic.

In summary, the Searocco 1500 Trawler by Altena is a versatile cruising boat, ideal for sailors looking to combine performance, comfort, and safety for unforgettable sea voyages.
