Architect : Dick CARTER
Material : GRP
Beam : 3,65
keel : Deep keel

Engines

Model : D2-40
Montage : In Board (IB)
Power Unit. (CV) : 40
Hours : 770
Fuel capacity : 150

Brand : VOLVO
Fuel : Diesel
Engine(s) : 1
Drive : Shaft drive

Facilities

Sailor Cabin : 0

WC : Chemical

Helm : No

Double Cabin : 1

Head : 1

Berth : 6

Flybridge : No

Technical Details

Carter 37 by Olympic

The Carter 37 is a classic sailboat designed by the renowned naval architect Robert H. Perry and built by the shipyard Olympic Yachts. This boat is renowned for its robustness, performance, and comfort, making it an ideal choice for experienced sailors and cruise enthusiasts.

Main Characteristics:

- Overall Length: 11.37 meters (37 feet) -
- Beam: 3.56 meters -
- Draft: 1.98 meters -
- Displacement: Approximately 7,500 kg -
- Sail Area (upwind): Approximately 65 m² -
- Sail Area (downwind): Approximately 120 m² -
- Construction: Fiberglass hull with plywood reinforcements -
- Interior: Spacious layout with 6 to 8 berths, equipped kitchen, bathroom with shower -
- Engine: Generally equipped with an auxiliary engine of 20 to 30 HP -
- Tanks: Sufficient water and fuel capacity for long cruises -

Performance and Maneuverability:

The Carter 37 is designed to offer excellent stability and good reactivity. Its long keel and substantial ballast allow it to hold its course, even in rough seas. The boat is also appreciated for its ability to sail efficiently in various wind conditions.

Comfort and Livability:

The interior of the Carter 37 is designed to offer a good level of comfort. The living spaces are well laid out, with particular attention paid to ergonomics and functionality. The berths are spacious and comfortable, and the kitchen is well-equipped for preparing complete meals.

Maintenance and Reliability:

The Carter 37 is known for its robustness and reliability. High-quality construction materials and careful design make it a durable boat that requires minimal maintenance. Replacement parts are generally easy to find, facilitating upkeep.

Conclusion:

The Carter 37 is a versatile sailboat suitable for both coastal sailing and long cruises. Its performance, comfort, and reliability make it a popular choice among sailing enthusiasts. Whether you are an experienced sailor or a cruise enthusiast, the Carter 37 will meet your expectations.
