Owner's Comments

This SAN REMO 930 Fisher, RIATLANTE shipyard, is equipped for both offshore fishing and family cruising. Its hull is unsinkable and very solidly built. This boat is currently used by its owner for amateur offshore fishing. The entire boat is in good condition with its motorization with 2 YAMAHA 225hp engines regularly serviced (every 100 hours) by the YAMAHA dealer. Major upgrade for winter 2023/2024, new windshield, installation of flaps, fixed VhF, etc.)

In terms of comfort, the boat has two cabins with double beds and a bathroom with an electric toilet. A kitchen area with a 2-burner stove and a refrigerator allows cruising with good comfort.

For fishermen, a livewell is installed in the cockpit with a seawater supply system.
