Technical Details

The SB20 is a sports dinghy designed by Performance Sailcraft, a company renowned for its high-performance boats. This boat is particularly appreciated for its maneuverability, speed, and versatility, making it an ideal choice for races and outings with family or friends.

Main characteristics:

- Overall length: 6.10 meters -
- Width: 1.83 meters -
- Draft: 0.30 meters (centerboard up) to 1.50 meters (centerboard down) -
- Displacement: Approximately 350 kg -
- Main sail area: 12.5 m² -
- Jib area: 10.5 m² -
- Spinnaker area: 28 m² -
- Crew: 3 to 4 people -

The SB20 is built with lightweight and resistant materials, offering excellent rigidity and exceptional durability. Its sleek design and elegant lines make it an aesthetically pleasing boat while being highly performant.

Thanks to its retractable centerboard, the SB20 can sail in shallow waters, making it a versatile choice for different sailing conditions. Its large sail area allows for optimal performance, even in moderate winds.

The SB20 is equipped with numerous safety and comfort accessories, such as high-quality steering wheels, sheets, and halyards, as well as safety equipment like life jackets and fenders.

In summary, the SB20 by Performance Sailcraft is a versatile, high-performance, and safe sports dinghy, ideal for sports sailing enthusiasts and families looking for a reliable and enjoyable boat to sail.
