Technical Details

The Wellcraft 302 Fisherman is an iconic fishing boat designed to offer an unparalleled fishing experience. Manufactured by Wellcraft, a brand renowned for its robust and high-performance boats, this model is ideal for fishing enthusiasts in both saltwater and freshwater.

Main Features:

- Length Overall: Approximately 9.14 meters (30 feet). -
- Beam: Approximately 3.15 meters (10.3 feet). -
- Draft: Approximately 0.81 meters (2.65 feet). -
- Fuel Capacity: Approximately 473 liters (125 gallons). -
- Weight Capacity: Capable of carrying several passengers and a full fishing equipment setup. -

Engine: The Wellcraft 302 Fisherman is typically equipped with an inboard diesel or gasoline engine, often a Mercury or Yamaha, offering up to 300 horsepower. This provides a comfortable cruising speed and good maneuverability.

Design and Comfort: The boat features a robust fiberglass hull, ensuring durability and performance. The interior is spacious, with comfortable seating and ample storage space for fishing equipment. The cockpit is well-designed to facilitate fishing operations, with workspaces and padded seats.

Electronics and Equipment: The Wellcraft 302 Fisherman is often equipped with advanced electronic systems, including GPS, sonar, and VHF radios for safe navigation and communication. Fishing equipment such as rod holders, live wells, and nets are also available.

Usage: This boat is perfect for family or friends fishing outings, offering both performance and comfort. Whether for coastal fishing or offshore trips, the Wellcraft 302 Fisherman is a reliable and high-performance choice.
