Miscellaneous

Comments :Queen of the Wellcraft fleet when she was introduced in 1984, the 36 Gran Sport combined contemporary 1980s styling and spacious accommodations.

Built on a solid fiberglass hull, the chief attraction of the Gran Sport is her expansive, open-plan interior, a feature made possible by the absence of any structural cabin bulkheads. (Note that open-plan floor plans like this have become the norm in recent years.)

Some amenities this boat offers are a full kitchen with a stove, microwave, and refrigerator. Full sleeping quarters that sleep six with plenty of storage space and comfort room. This also has a full head, with a toilet, shower and sink. This is a very spacious and comfortable boat that will offer plenty of travel and happiness. The boat is VERY VERY spacious and has two hatches on top for easy access.
