Divers

Comments : he NAJAD 34 is a sailboat well known in SWEDEN, and very robust construction. This monohull with a long keel is a perfectly safe sailboat for deep sea and family cruising.
An independent aft cabin, a central cockpit with a wheelhouse protected by a windshield and a descent convertible, a friendly saloon, a long galley, and a forward cabin.In 2020, the VOLVO 35hp engine was completely removed. revised by a professional mechanic (change of hoses, belt, filters, compression ratios, painting.
Maintenance done for 2021 (fairing, engine overhaul, new standing rigging, new autopilot , new RAYMARINE wind vane with Multifunction i70s)

It is a rare unit to grab quickly.
