## Technical Details

The Sessa C35 is an elegant and high-performance boat designed by the manufacturer Sessa Marine, renowned for its luxury yachts. This model is ideal for those seeking a combination of style, comfort, and performance on the water.

Main characteristics:

- Overall length: Approximately 10.80 meters -
- Width: Approximately 3.20 meters -
- Draft: Approximately 0.85 meters -
- Displacement: Approximately 6,500 kg -
- Fuel capacity: Approximately 500 liters -
- Freshwater capacity: Approximately 100 liters -

Engine: The Sessa C35 is generally equipped with one or two diesel engines, offering a total power of up to approximately 435 horsepower. These engines ensure optimal performance and efficient fuel consumption.

Interior layout: The interior of the Sessa C35 is designed to offer maximum comfort. It includes a main cabin with a double bed, a bathroom with a shower, and an equipped kitchen. High-quality finishes and elegant materials create a welcoming and luxurious atmosphere.

Exterior layout: The spacious cockpit is perfect for relaxing moments with family or friends. It is equipped with comfortable seats, a dining table, and storage space. The bow also offers a relaxation area with cushions and sunbeds.

Electronics and navigation: The Sessa C35 is equipped with modern navigation systems, including a GPS, sonar, radar, and VHF. This equipment ensures safe and enjoyable navigation.

Safety: The boat is equipped with all necessary safety features, such as life jackets, fire extinguishers, life buoys, and a smoke detection system.

The Sessa C35 is an ideal choice for boating enthusiasts looking for a versatile, comfortable, and high-performance boat. Whether for family outings, vacations, or excursions with friends, this Sessa Marine model will meet all your expectations.
