Technical Details

The Fairline Targa 28 is an iconic boat designed by the British manufacturer Fairline, renowned for its high-quality yachts and exceptional performance. This model is particularly appreciated for its elegant design and advanced technical features, making it an ideal choice for both boating enthusiasts and professionals.

Dimensions: The Fairline Targa 28 measures approximately 8.53 meters in overall length and 2.87 meters in width, offering a perfect balance between space and maneuverability.

Engine: This boat is generally equipped with Volvo Penta or Mercruiser engines, providing power up to 300 horsepower. These engines ensure optimal performance and efficient fuel consumption.

Capacity: The Targa 28 can accommodate up to 8 passengers, making it an excellent choice for family outings or gatherings with friends. The cabin is spacious and well-designed, offering maximum comfort for long journeys.

Technical Features: The boat is equipped with modern navigation systems, including a GPS, sonar, and radar, ensuring safe and precise navigation. Additionally, it features advanced communication systems and an integrated entertainment system for enjoyable moments on board.

Comfort and Safety: The Fairline Targa 28 is designed with high-quality materials, offering exceptional durability and resistance. The seats are ergonomic and provide optimal comfort, while safety systems, such as life jackets and fire extinguishers, are integrated to ensure safe navigation.

Usage: This boat is versatile and can be used for various activities, including fishing, sea excursions, and cruises. Its maneuverability and performance make it an ideal choice for experienced navigators and enthusiasts.

In summary, the Fairline Targa 28 is a used boat that combines elegance, performance, and comfort, offering an unforgettable boating experience.
