## Technical Details

### Hunter 33

The Hunter 33 is a popular cruising sailboat, designed to offer an ideal combination of performance, comfort, and reliability. This boat is particularly appreciated for its elegant lines and habitability, making it an excellent choice for sailing enthusiasts for both family outings and longer cruises.

#### Main Characteristics:

- Overall Length: 10.06 meters -
- Hull Length: 9.96 meters -
- Beam: 3.28 meters -
- Draft: 1.68 meters -
- Displacement: 5,443 kg -
- Sail Area (close-hauled): 54.65 m<sup>2</sup> -
- Sail Area (reaching): 96.63 m<sup>2</sup> -

#### Design and Construction:

The Hunter 33 is built with a fiberglass hull, offering great robustness and excellent resistance to the elements. The lead keel ensures good stability and good sea-keeping. The deck is spacious and well-designed, with easy access to all working areas.

#### Interior:

The interior of the Hunter 33 is designed to offer maximum comfort. It features two double cabins, a well-equipped galley, and a complete bathroom. The interior finishes are of high quality, with durable and aesthetic materials.

#### Performance:

The Hunter 33 is equipped with an auxiliary engine that allows for safe navigation, even in light winds. The skeg rudder ensures good maneuverability and precise steering. The boat is also equipped with numerous safety and navigation equipment, such as navigation lights, a compass, a GPS, and a depth sounder.

#### Usage:

The Hunter 33 is a versatile boat, ideal for coastal cruising and family outings. It is also well-suited for club races and cruising regattas. Thanks to its robust design and quality equipment, it is an excellent choice for sailors looking to combine performance and comfort.
