## Technical Details

The CAP FERRET 552 CC from B2 Marine is an elegant and high-performance cruising boat, designed to offer comfort and safety on board. This model is particularly appreciated for its clean lines and modern design, making it an ideal choice for those who appreciate both aesthetic and functional navigation.

Technical Specifications:

- Overall Length: 16.80 meters -
- Width: 4.90 meters -
- Draft: 1.20 meters -
- Displacement: 22 tonnes -
- Fuel Capacity: 1,500 liters -
- Fresh Water Capacity: 700 liters -

**Engines:** The CAP FERRET 552 CC is generally equipped with powerful diesel engines, often MAN or Volvo Penta engines, providing a total power of 2 x 550 horsepower. These engines ensure optimal performance and reasonable fuel consumption, allowing for long and enjoyable cruises.

**Interior Layout:** The interior of the boat is designed to offer maximum comfort. It features three cabins, including a master cabin with a double bed, a guest cabin with two single beds, and a crew cabin. The living spaces are spacious, with a well-equipped salon and kitchen. The materials used are of high quality, ensuring durability and aesthetics.

**Equipment:** The CAP FERRET 552 CC is equipped with numerous modern features, such as a GPS navigation system, radar, sonar, VHF radio, and an air conditioning system. It also has an autonomous electricity generation system, ensuring energy independence during cruises.

**Safety:** Safety on board is a priority. The boat is equipped with safety devices such as life jackets, life rafts, and a fire detection system. The construction materials are robust and comply with maritime safety standards.

The CAP FERRET 552 CC from B2 Marine is an ideal choice for those seeking a reliable, comfortable, and high-performance cruising boat. Whether for family outings or longer trips, this model offers everything you need for unforgettable moments at sea.
