## Technical Details

The Riviera 42 Flybridge is a luxury yacht designed to offer an exceptional sailing experience, combining comfort, performance, and elegance. This model is ideal for cruising enthusiasts looking for a versatile and well-equipped boat.

**Dimensions:** The Riviera 42 Flybridge measures 12.98 meters in overall length and 3.96 meters in width. Its draft is 1.10 meters, allowing navigation in shallow waters.

**Engine:** Equipped with MAN V8 engines of 540 horsepower each, this yacht reaches a maximum speed of 30 knots and a comfortable cruising speed of 25 knots. The engines are coupled with ZF transmissions, offering reliable and efficient performance.

**Capacity:** The Riviera 42 Flybridge can accommodate up to 8 people on board, with spacious and well-appointed cabins. The standard configuration includes a master cabin with a private bathroom, a guest cabin, and a crew cabin with a shared bathroom.

**Equipment:** This yacht is equipped with numerous state-of-the-art features, including a Raymarine navigation system, radar, GPS, depth sounder, and a VHF communication system. The flybridge offers additional living space with a helm station, lounge, and dining area.

**Comfort:** The Riviera 42 Flybridge is designed to offer maximum comfort to its passengers. Air conditioning, heating, and large windows allow for an enjoyable environment year-round. The kitchen is well-equipped with a refrigerator, freezer, oven, and sink.

**Safety:** Safety is a priority on board the Riviera 42 Flybridge. The yacht is equipped with safety devices such as fire extinguishers, life jackets, and a smoke and gas detection system.

The Riviera 42 Flybridge is an ideal choice for those seeking a luxurious, high-performance, and comfortable yacht, perfect for family or friends' cruises.
