Technical Details

The Tofinou 8 is an elegant and high-performance sailboat designed by the manufacturer Latitude 46. This boat is renowned for its versatility, comfort, and excellent sailing performance. Here are some of its main characteristics:

- Overall Length: 8.20 meters -
- Beam: 2.48 meters -
- Draft: 0.90 to 2.30 meters (adjustable) -
- Displacement: 1,800 kg -
- Sail Area: 30 m² -
- Hull Type: Monohull in polyester -
- Fuel Capacity: 30 liters -
- Fresh Water Capacity: 60 liters -

The Tofinou 8 is ideal for coastal sailing and short cruises. Its modern design and high-quality equipment make it a popular choice among sailing enthusiasts. The boat is also appreciated for its ease of handling and onboard comfort, making it an excellent choice for solo sailors or small crews.

The sought-after characteristics of the Tofinou 8 include its ability to navigate in shallow waters thanks to its adjustable draft, as well as its well-designed living space, offering a good balance between performance and comfort. The boat is also known for its stability and responsiveness, making it a pleasant sailboat to maneuver in various wind conditions.
