Owner's Comments

The Bénéteau Flyer 8.8 Spacedeck is a popular pleasure boat, recognized for its design, performance and versatility.

The Flyer 8.8 SpaceDeck has a spacious cockpit and easy traffic, even with several people on board. Its "walkaround" design allows you to move easily around the boat.

The spacious bridge is ideal for group outings, offering a capacity up to 11 people.

The modularity of the cockpit allows you to personalize the development according to needs (idleness, meals, water sports, fishing).

The spacious sunbathing at the front is a major asset, much appreciated for relaxation.

It is a versatile boat, as much suitable for sea outings as for water sports or fishing. His equipment is quite complete for the various activities.

The presence of a T-Top is a significant advantage.

Thanks to its airstep 2 hull, the boat offers notable stability and comfort, even by formed sea.

Quick navigation enthusiasts will note good course of course at high speed and appreciable responsiveness even by sea formed.

Although the Beneteau Flyer 8.8 SpaceDeck is designed mainly as a day boat, the cabin space is particularly well studied.

The Bouteau Flyer 8.8 SpaceDeck is particularly appreciated for its modern design, versatility and performance at sea. It is suitable for group outings and offers a good compromise between comfort and sportiness.
