Owner's Comments

Kaeser 60 catamaran.

The honeycomb structure from offshore racing offers perfect rigidity to the whole and provides perfect thermal insulation without requiring air conditioning.

The common living areas are very large and provide this boat with a great quality of life on board.

This boat is very economical and has been redesigned to give it an autonomy NM 3000 using only the engines.

Boat suitable for diving.

Equipped with front and rear crash boxes; he is

Excellent for coastal and offshore navigation.

Deep Sea One is designed to live on board for months

Layout

In the center

The 13 m2 saloon under the roof with kitchen and dining room is widely open to the aft cockpit.

Kitchen

Large open kitchen in the living room, with dining table for 8 people, freezer and refrigerator, electric oven.

4-burner gas hob. stainless steel sink.

Numerous cupboards and storage spaces.

Refrigerator - 250 liters,

Electric oven - microwave SHARP

DANFOSS 1 Freezer - 200 liters,

1 BOSCH dishwasher

1 wine cellar

A DE DIETRICH stainless steel gas hob

1 bar

Very easy to maintain and comfortable to live in

Cockpit:

Large with a double table to accommodate 9 guests on benches equipped with cushions and 4 wooden and canvas chairs.

On port side 1 work surface with plancha, work surface, 1 sink and a refrigerated space. 1 table for 2 people.

On starboard from the cockpit we access the crew cabin with three bunk beds, bathroom and toilet, possibility of adapting an additional cabin by removing the extra

Storage workshop and various diving equipment.

The Owner's Cabin with a spacious bathroom and toilet located on the port side is accessible by a private staircase from the saloon.

2 guest cabins with double beds and single beds, bathrooms with toilets are positioned forward of the roof and accessible directly from the decks.

Electric ventilation in all cabins.

Numerous storage spaces on the front and rear hulls.

BRIDGE

Aft of the cockpit rear deck with rack for 10 diving bottles.

Stainless steel davit capacity 1500 kg

Technical compartment accessible via the starboard rear skirt including the generator, the diving compressor and the 100 l/h watermaker.

On the port side aft skirt, bathing ladder and technical storage room.

At the front of the roof 2 large trampoline

and on the roof large space forming sun loungers with cushions.

HELPER STATION

On starboard

Comfortable helm station with all navigation instruments, large repeater screen, etc.
