Owner's Comments

Hanse 315 in excellent condition having sailed very little. Very good value for money. Voted European Yacht of the Year upon its launch, the Hanse 315 is the very example of what makes a sailboat excellent. With its perfect sailing characteristics and maneuverability, the 31-foot-long entry-level model is easy to maneuver at all speeds. Definitely worth a visit.

VAT paid and proof of this payment to an EEC country. 2 sets of new sails.

Engine overhaul, antifouling, new sprayhood, portable generator, air conditioning, new black water pump, new pneumatic tender and new HB engine, new RAYMARINE autopilot, all in July 2024.
