Owner's Comments

Information from the owner: classic wooden ketch designed by Nathanael Herreschoff, built in 1968 with solid teak carvel planking. Beautiful construction from the pencil of one of the most famous naval architects. The boat is easy to handle, with a fractional rig, fully-battened mainsail, furling genoa, and hydraulic steering. Stiff under sail, with a tulip bow that keeps the deck dry despite the waves. Worth seeing, for lovers of beautiful boats.
