Owner's Comments

Boat in excellent condition. Numerous extras, including autopilot, 12V to 220V inverter, radar, battery charger, GPS, fridge, gas stove, 220V outlet, etc. Equipped with 2 dual propeller hubs for better performance. Ratio 290DP 1.95, and I have 2 single propeller hubs as spares. Diesel central heating, hot water, grey water tank, mattresses, winter cover, hardwood interior. Electronics Furuno GPS/plotter in the cockpit and flybridge - radio in the cockpit and flybridge - depth sounder - autopilot in the cockpit and flybridge - 12V to 220V inverter and many other extras. Electricity / Engine of the Fairline Corniche 31 Battery charger, 3 new batteries since July 2022. Deck Equipment Windlass, anchor, and chain, operable from the cockpit and bow. Full covers and winter covers. Interior and exterior mattresses. Comfort / Interior Automatic toilet - automatic - gas cooker/oven - diesel heating - central gas heating. Documentation All in order, taxes paid, Polish flag since 2021. Maintenance Antifouling and engine/shaft revision in June 2022. Engines fully revised in 2018, better performance and reduced consumption. Remarks One point to note is that the boat was in freshwater from 1985 to 2021. This means less wear and tear than if it had been in saltwater, and it shows in the condition of the boat.
