Owner's Comments

The ****Lagoon 50**** is a cruising catamaran offering a perfect balance between comfort, performance, and space. This model, built by the Lagoon shipyard, stands out for its impressive features and high-end equipment. This 2018 catamaran, currently for sale in Valencia, Spain, for ?790,000 plus taxes, is made of GRP Poly material. It measures 14.76 meters in length and 8.10 meters in beam with a draft of 1.20 meters, making it an ideal option for navigating in shallow waters. The Lagoon 50 is powered by two Yanmar engines, recently renewed in 2023. This Lagoon 50 model features four double cabins and a crew cabin, offering exceptional onboard living comfort for family or friends' cruises. The equipment includes a 2023 generator, solar panels, hot water, and electric toilets, not to mention air conditioning that ensures thermal comfort all year round. In terms of electronics, the Lagoon 50 is well-equipped with a GPS, chart plotter, autopilot, and water maker. It also features an electric windlass, davits, and a rear platform, thus facilitating maneuvers and water access. Compared to its competitors, the Lagoon 50 stands out with its modern design and luxurious amenities. It offers exceptional habitability thanks to its vast living spaces, both indoors and outdoors. The model is also renowned for its stability and sea performance, making it a preferred choice for sailing enthusiasts seeking a blend of comfort and performance. In summary, the Lagoon 50 is a versatile and well-equipped catamaran model, ideal for extended cruises and pleasure at sea. Its comfort and performance make it a top choice compared to other catamarans in its category. The price of this unit, currently used in charter, is displayed plus taxes.
