Owner's Comments

The ** Lagoon 50 ** is a pleasure catamaran offering a perfect balance between comfort, performance and space. This model, built by the Lagoon shipyard, is distinguished by its impressive characteristics and its high -end equipment.

This catamaran of 2018, currently on sale in Valence, Spain, for ? 790,000 excluding taxes, is made of GRP Poly material. It measures 14.76 meters long and 8.10 meters wide with a driver of 1.20 meters, making it an ideal option for shallow waters. The Lagoon 50 is powered by two Yanmar engines, recently renewed in 2023.

This Lagoon 50 model has four double cabins and a cabin for the crew, offering exceptional life on board for cruises with family or friends. The equipment includes a 2023 generator, solar panels, hot water, and electric toilets, without forgetting hot-cold air conditioning which ensures thermal comfort in all seasons.

In terms of electronics, the Lagoon 50 is well equipped with a GPS, a cards, an automatic driver and a desalinizer. It also has an electric guindeau, bumps, and a rear platform, thus facilitating maneuvers and access to water.

Compared to its competitors, the Lagoon 50 stands out for its modern design and luxurious arrangements. It offers exceptional habitability thanks to its vast living spaces, both inside and out. The model is also renowned for its stability and its performance at sea, making it a privileged choice for lovers of sailing seeking a mixture of comfort and performance.

In summary, the Lagoon 50 is a model of versatile and well -equipped catamaran, ideal for prolonged cruises and pleasure at sea. Its comfort and performance make it an option of choice compared to other catamarans in its category. The price of this unit, currently used in charter, is displayed excluding taxes.
