Technical Details

Archambault A35 R

The Archambault A35 R is a cruising sailboat designed to offer a maritime experience that is both comfortable and high-performing. This boat is ideal for sailors seeking a balance between speed and stability, while enjoying a spacious and well-designed interior.

Main Features:

- Length Overall: Approximately 10.50 meters -
- Beam: Approximately 3.45 meters -
- Draft: Approximately 2.10 meters -
- Displacement: Approximately 5,500 kg -
- Sail Area: Approximately 65 m² -
- Designer: Marc Lombard -
- Year of Construction: From 2006 onwards -

Performance and Maneuverability:

The A35 R is equipped with a well-designed sail plan that ensures good performance in all wind conditions. The boat is also renowned for its maneuverability, making it a popular choice for regattas and coastal cruises.

Interior and Comfort:

The interior of the A35 R is spacious and well-appointed, offering ample space for extended voyages. The cabins are comfortable, and the storage spaces are thoughtfully designed, allowing you to travel with all the necessary items without compromising comfort.

Safety and Robustness:

Built with high-quality materials, Archambault boats are known for their robustness and durability. The A35 R is no exception, offering great safety at sea thanks to its solid construction and reliable navigation equipment.

Recommended Uses:

The Archambault A35 R is perfect for experienced sailors looking for a versatile boat for regattas, coastal cruises, and sea voyages. It is also an excellent choice for families who want to explore the coast while enjoying the comfort and safety of a well-designed sailboat.
