Owner's Comments : Jeanneau Prestige 34 Sport Top

Rare version powered by the Volvo Penta D4!

An ideal compromise between daily and long-distance cruising, the Jeanneau PRESTIGE 34 SPORT TOP benefits from a covered cockpit that is largely glazed, opening and yet very protected.

This example has benefited from particularly careful maintenance by its owner, who is now parting with it after having enjoyed it for 11 years.

This Prestige 34 has all its interior carpets, all the awnings (winter and summer) in excellent condition, as well as stainless steel masts for mounting an additional awning above the front sun loungers.

Two fixed solar panels of 170w each.

Starters and alternators 2024.

2023 mooring chain, Delta anchor.
