Owner's Comments

Nelson 46 cc, central cockpit. Spacious, in need of maintenance and an update. This 14-meter Nelson 46 cc has been recently immobilized due to health issues of its owner. It requires engine work, which needs to be replaced, and sails that need to be renovated or replaced. The boat will need to be thoroughly reviewed to check all its navigational capabilities (survey). The owner states: "Given the necessary work, I am fully aware that a significant price reduction will be required. My current situation does not allow me to carry out these works. And I wish to sell quickly. If you are able to do some of this work yourself, I think this boat is for you."

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.
