Technical Details

<p class="nom-bateau">LEADER 805

The LEADER 805 is a versatile boat designed for coastal fishing enthusiasts, family outings, and short sea trips. This model combines robustness, comfort, and performance, making it a popular choice among used boat owners.

Main Specifications

- Length Overall (LOA): 8.05 metres (26 feet 5 inches) -
- Beam: 2.55 metres (8 feet 4 inches) -
- Draft: 0.60 metres (1 foot 11 inches) with a flat hull designed for coastal waters and rivers -
- Dry Weight: Approximately 1,200 kg (depending on engine) -
- Fuel Capacity: 60 litres -
- Fresh Water Tank Capacity: 20 litres -
- Cabins: 1 forward cabin with a berth and storage -
- Toilet: Manual integrated toilet -
- Deck: Spacious deck with non-slip flooring, ideal for storing equipment or family outings -
- Bow Thruster: Optional equipment to facilitate manoeuvring in small harbours -
- Cockpit Cooler: Some models include a water spray system to cool the crew -

Engine and Performance

The LEADER 805 is generally powered by an outboard engine with a power output ranging from 150 to 200 horsepower, depending on the version, allowing it to reach a top speed of 30 to 40 knots (approximately 55 to 75 km/h).

- Recommended Engine: Yamaha, Mercury, or Suzuki (225, 150, or 200 HP models) -
- Average Consumption: Approximately 15-20 litres/hour at cruising speed (2,500-3,000 rpm) -

Standard and Optional Equipment

- Standard Equipment:
- Hydraulic steering -
- Fixed VHF radio -
- Fenders and mooring lines -
- Navigation lights -
- Dashboard with compass and speed indicators -
-

Popular Options:

- Autopilot -
- Integrated GPS with chartplotter -
- Waterproof sound system -
- External storage compartment -
- Lowered transom for easy swimming -
-

Key Features of the LEADER 805

- Versatility: Ideal for fishing, outings, and short cruises. -
- Comfort: Practical interior layout with storage and a forward cabin. -

- Durability: Reinforced polyester hull for good impact resistance. -
- Manoeuvrability: Compact size makes parking and handling easier. -
- Value for Money: Excellent compromise for a well-equipped used boat. -

Recommended Use

The LEADER 805 is designed for coastal sea use, in lagoons, or on lakes. It is perfectly suited for:

- Coastal fishing trips (bass, mackerel, etc.). -
- Family or friends outings with easy access for swimming. -
- Short cruises of a few hours. -
- Trips on inland waters (if permitted by local regulations). -

This model is not suitable for long offshore navigations due to its size and engine power.

Tips for Buying a Used LEADER 805

- Check the condition of the hull (osmosis, gelcoat, impacts). -
- Inspect the engine (operating hours, maintenance, leaks). -
- Test the electrical equipment (lights, VHF, dashboard). -
- Examine the interior fittings and storage. -
- Ask for the maintenance history (oil changes, anode replacements, antifouling). -

LEADER 805 Summary

With its practical design and tailored engine power, the LEADER 805 is a highly sought-after used boat for its versatility and comfort. Perfect for coastal sailing enthusiasts, it offers excellent value for money for those looking for a reliable and easy-to-maintain boat.
