Owner's Comments

SUN ODYSSEY 47 for sale, either as a whole or in co-ownership

I own a **Sun Odyssey 47**, a **sailboat** available for sale either as a whole or in co-ownership. This **boat** has benefited from regular maintenance carried out by professionals. The hull is fitted with original **Kevlar** reinforcements, ensuring exceptional robustness. The boat is ready to sail and offers remarkable performance at sea.

History of the Jeanneau Shipyard

The Jeanneau shipyard, founded in 1957 by Henri Jeanneau, has a rich history in the construction of pleasure boats. Initially specialized in motorboats, Jeanneau quickly diversified into the construction of sailboats. The shipyard achieved great success with models such as the Alizé and the Sangria, which established Jeanneau as a major player in the nautical industry. The Sun Odyssey 47, designed by Philippe Briand, has been produced since 1991 and has been a very popular model for its performance and comfort. This model was built in France and achieved great success thanks to its innovative design and exceptional performance.

Why is this boat interesting to buy?

The **Sun Odyssey 47** is interesting to buy for several reasons. First, it offers a perfect combination of performance and comfort, making it an ideal choice for sea cruising. Additionally, its Kevlar-reinforced hull ensures increased durability and safety. Finally, with its modern equipment and regular maintenance, this boat is ready to sail and offer years of pleasure at sea.
