Owner's Comments

PRESTIGE 420 FLY of 2021, 2022 model with cummin engines 380 CV - Luxury and performance

Discover the Prestige 420 Fly, an icon of nautical elegance and innovation. This 2022 model harmoniously combines refined design, cutting-edge technology and absolute comfort for unforgettable moments at sea.

"Preference" finish including sunbathing cushions at the front, protective covers, kit control and chain counter, cockpit and teak bath platform, starboard sliding window.

Equipped with two cummin engines 380 CV, the Prestige 420 Fly offers fluid navigation, excellent handling and remarkable performance, ideal for cruises with family or friends. Its autonomy and reliability make it a perfect companion to explore the most beautiful ribs.

Motorization: Cummins QSB 6.7 (2 x 380hp) with joysticks in the fly and interior, reinforced hydraulic power steering, main diesel tanks of 1170 L and additional 200 l tank with complete circuit. These engines have 470 hours of operation. Orin cut on a tree line.

The spacious flybridge of Prestige 420 Fly is designed for relaxation and conviviality, with a lounge area, a sunbathing and a breathtaking panoramic view.

FLY Equipment: Fly bimini, SUMBRELLA STEEL, FLY kitchen including a plancha, a sink with hot/cold water under pressure, 1 fridge, sunbathing cushion, protective cover.

Inside, the layout is designed to maximize space and light, with a warm living room, modern kitchen and two luxurious cabins.

Layout and comfort: 2 cabins with double bed, 1 toilet cabinet with separate shower and electric WC, kitchen with 2 gas stove, 1 fridge, a tank with hot/cold water under pressure, electric telescopic convertible lounge allowing 2 additional beds. Wooden imitation laminate floor in the living room.

The spacious cockpit has a teak table, a imitation leather upholstery and an electric banner. A drying washing machine is installed in a starboard side piece of furniture, and the boat has reversible air conditioning.

Electronics and navigation assistance: This Prestige 420 FLY is equipped with the electronic pack for motorization with joystick including 1 GPS/Multifunction tracker Raymarine "Axiom 12" at the interior bar and 1 GPS/Multifunction tracker Raymarine "Axiom 12" at the FLY post, 1 cummine interface, 1 Raymarine automatic pilot with P70RS control. At the Fly, 1 VHF Double post Raymarine Ray91 with AIS reception, 1 AIS 700 Raymarine transponder, 1 Guindeau control desk, an electric flaps controller.

With its high-end finishes and its complete equipment, the Prestige 420 Fly guarantees exceptional comfort of life on board. Take advantage of a state-of-the-art navigation system, reversible air conditioning and an ideal rear platform for nautical activities.

Prestige 420 Fly Model 2022 embodies the perfect fusion between luxury, performance and security. This is the dream yacht for all those who aspire to live unique moments at sea.
