## Technical Details

### Elan 31 GTE

The Elan 31 GTE is a cruising sailboat designed by the builder Elan, known for its elegant and high-performance boats. This model is particularly appreciated for its balance between comfort and performance, making it an excellent choice for coastal sailing enthusiasts and long-distance cruises.

#### Main Characteristics

- Length Overall (LOA): Approximately 9.65 meters -
- Hull Length: Approximately 9.10 meters -
- Beam: Approximately 3.05 meters -
- Draft: Approximately 1.80 meters -
- Displacement: Approximately 4,200 kg -
- Sail Area: Approximately 55 m<sup>2</sup> -
- Fuel Capacity: Approximately 50 liters -
- Fresh Water Capacity: Approximately 100 liters -

#### Design and Construction

The Elan 31 GTE is built with a fiberglass-reinforced polyester hull, offering good resistance and increased durability. The lead keel provides optimal stability, while the deck is designed to offer a large circulation area and good windage.

#### Interior

The interior of the Elan 31 GTE is spacious and well-laid-out, with a comfortable main cabin and berths for up to 6 people. The galley is well-equipped, and there is a complete bathroom with a shower.

#### Performance

The Elan 31 GTE is equipped with an auxiliary engine of 18 HP, allowing for autonomous navigation in case of lack of wind. The sailing performance is excellent, with good responsiveness and good sea keeping.

#### Equipment

The Elan 31 GTE can be equipped with various accessories and equipment, such as navigation instruments, a GPS, a radar, an autopilot, and safety equipment.

#### Conclusion

The Elan 31 GTE is a versatile and high-performance sailboat, ideal for sailors looking for a balance between comfort and performance. With its robust construction and quality finishes, it is an excellent choice for family or friendly cruises.
