Owner's Comments

Swan 46 - High-Performance and Refined Sailboat This Swan 46, designed by German Frers and built by Nautor's Swan, combines performance, reliability, and build quality. It is renowned for its meticulous design, robustness, and capabilities for both cruising and racing. **Main Characteristics** Design and Construction Fiberglass hull reinforced with Kevlar. Teak deck refitted in 2015. Keel replaced in 2009. Mast and rigging changed in 2005. Interior Layout Teak finish. 2 cabins: fore and aft. Ergonomic galley. Spacious saloon. Layout suitable for long cruises, racing, or stays at the marina. Sailing Performance Good stability and maneuverability. Suitable for offshore sailing and racing. Recent Work and 2024 Maintenance This Swan 46 has undergone extensive maintenance in 2024: Perkins engine and gearbox rebuilt. 2 coats of antifouling applied. Hull polished and waterline painted. Stuffing boxes and flexible couplings replaced. Dyneema genoa and mainsail halyards new. Metal shrouds replaced with Dyneema. Running rigging revised. 6 new batteries installed (July and October 2024). Winches revised, cleaned, and greased. Deck hatches and seacocks replaced. **Additional Information** Certain customizations can be discussed with the seller. For more information or to arrange a visit, contact us.
