Owner's Comments

The Beacher V8 Open was designed to navigate while comfort.

Passengers will be able to settle on the huge sunbathing at the front and share good times around the table.

The pilot occupies a central position on the boat. It is backed by the bar which allows it to be close to the passengers installed at the front or at the back of the boat.

The design of the boat allows a formed sea passage.

Its width allows you to have good stability in the anchorage and to meet comfortably around the table for lunch or dinner.

The kitchen bar has a sink, a stove, a fridge and the rear seat can receive 6 guests.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.
