Technical Details

Prestige 440 S - Luxury Yacht with Elegant and High-Performing Design
The Prestige 440 S is a 13.40-meter (44-foot) yacht combining comfort, performance, and high-end aesthetics. Designed by the French shipyard Prestige Yachts (a subsidiary of the Beneteau Group), this boat stands out for its refined design and generous volumes, ideal for family cruises or entertaining friends.
With a GRP (Glass-Reinforced Plastic) hull reinforced for better durability and robust construction, the 440 S is suited for offshore and lake navigation alike. Its spacious deck and bright interiors make it a preferred choice for those seeking a luxury cruising yacht without compromising on performance.

Tips for Maintenance and Purchase

For a secondhand Prestige 440 S, ensure you check the following:

- Hull condition (osmosis, gelcoat) and appendages (keel, rudders) -
- Engine (engine hours, maintenance history, oil pressure) -
- Electrical systems (batteries, switchboard, wiring) -
- Watertightness of roofs, portholes, and doors -
- Cooling system and heat exchangers (blockages, leaks) -
- Safety equipment (expiration dates for life jackets, fire extinguishers) -

Opt for models with a current service logbook and a remaining warranty. Annual maintenance at a specialized yard reduces the risk of unexpected costs.
