Owner's Comments

Highfield Patrol 760: Power and Robustness at the Service of Adventure

The **Highfield Patrol 760** is a **rigid inflatable boat (RIB)** designed for adventurers and demanding professionals. Known for its **robustness** and **exceptional performance**, it offers safe and comfortable navigation, even in challenging conditions.

A Design Built for Endurance

Constructed from high-quality **marine-grade aluminum**, the Highfield Patrol 760 is both lightweight and ultra-durable. Its **Hypalon fender** ensures increased durability against marine elements. This 2016 model was used by the race management of the **Vendée Globe 2016**, testifying to its reliability and endurance.

Performance and Safety at Sea

With its **deep V-hull**, the Highfield Patrol 760 ensures impressive stability and optimal sea handling. It is equipped with an **outboard Honda BF250 HP engine**, providing high top speed and excellent maneuverability. The engine, with only 480 hours of use, is in excellent condition and guarantees optimal performance.

A Modular and Functional Space

The Highfield Patrol 760 offers a **spacious cockpit**, ideal for rescue operations, sporting outings, or leisure. Its layout allows for great freedom of movement and the installation of equipment tailored to each need. The boat is certified for **16 people** and comes with safety gear for 6 people, making it a safe choice for group outings.

Versatility and Adaptability

This RIB is perfect for various uses: **patrol**, **diving**, **fishing**, or **fast transport**. Its robust design makes the Highfield Patrol 760 a top choice for professionals and thrill-seekers. The boat comes with a **Galaxy double-axle trailer** equipped with LED lights, facilitating its transport and storage.
