Owner's Comments

Highfield Patrol 760 - Power and robustness at the service of adventure.

The Highfield Patrol 760 is a semi-rigid designed for adventurers and demanding professionals. Known for its robustness and exceptional performance, it offers secure and comfortable navigation, even in difficult conditions.

A design designed for endurance

Built in high quality marine aluminum, the Highfield Patrol 760 is both light and ultra-resistant. Its hypalon float guarantees increased sustainability in the face of marine assaults.

Performance and security at sea

Thanks to its deep V hull, the Highfield Patrol 760 provides impressive stability and optimal sea passage. It can be equipped with a powerful outboard engine, offering a high top speed and excellent maneuverability.

A modular and functional space

The Highfield Patrol 760 offers a spacious cockpit, ideal for rescue operations, sports outings or pleasure. Its layout allows great freedom of movement and the installation of equipment adapted to each need.

Versatility and adaptability

This semi-rigid is perfect for various uses: patrol, diving, fishing or fast transport. Its robust design makes Highfield Patrol 760 a reference choice for professionals and thrill seekers.

This semi-rigid Highfield Patrol 760 Limited Limited Edition Vendée Globe 2016 fully equipped, Honda BF250 CV and Galaxy Double Axieux-Boat of 2016, Boat of the Race Department of Vendée Globe 2016, approved for 16 people with a Safety weapons for 6 people.
