A Sailboat Designed for Performance and Comfort

The **Baltic 43** is a sailboat designed for demanding sailors. Its hull designed by **Judel/Vrolijk** offers an excellent power-to-weight ratio, ensuring fast and stable navigation even in rough seas. Its draft of 2.40 m and balanced sail plan provide excellent upwind performance, while the balsa sandwich construction optimizes the rigidity and lightness of the boat.

A Warm and Refined Interior

The interior layout of the **Baltic 43** showcases the craftsmanship of the **Baltic Yachts** shipyard. The furniture made of precious varnished wood offers a warm and elegant atmosphere, while the intelligent layout ensures optimal comfort both at sea and at anchor. The well-equipped galley, the spacious and bright saloon, and the numerous storage spaces make it an ideal sailboat for long voyages.

Why Choose the Baltic 43?

- A design signed by **Judel/Vrolijk**: proven performance and timeless elegance.
- High-end construction: quality materials and flawless finish.
- Comfort and habitability: a spacious and ergonomic interior.
- Seaworthy and fast sailboat: ideal for offshore cruising and long-distance sailing.
- Safe bet on the market: a boat sought after for its reliability and pedigree.
