Owner's Comments

L'Antares 7.10 displays its strong personality at the first glance: powerful and tulipé to navigate "dry" even in a sea formed, "walkaround" type pasavants for safety, large deep and well protected cockpit. The ARTARES 7.10 also offers the famous fish tank of the range, appreciated by all fishermen.

Power, comfort, security ... whether for a fishing game or for an islands cruise, Antarès 7.10 has everything to seduce. The owner has all maintenance invoices, electronic equipment is efficient and recent. Possibility to leave on the Minn Kota engine boat placed at the front to stabilize the boat in fishing areas. Supplement 3000 ?.
