This used sailboat offers a unique combination of comfort, performance, and reliability. **Comfort and Equipment**: Spacious, comfortable, and convivial for sailors, this Bavaria 49 is designed to offer optimal comfort on board. With its three double cabins and two cabins with bunk beds, it can accommodate up to ten people, ideal for family or friends' cruises. The living spaces are spacious and well-appointed, with a cozy lounge, an equipped kitchen, and three bathrooms with toilets. **Performance and Navigation**: This sailboat is renowned for its exceptional performance at sea. It is an excellent example of a successful design by this well-reputed German shipyard: thanks to its well-designed hull and high-performance rigging, it offers stable and fast navigation. The Volvo D2-75 engine provides reliable and economical propulsion, perfect for long crossings. The Bavaria 49 is reassuring, solid, and heavy, capable of facing strong seas and violent winds. In light winds, it also performs well, and its powerful engine and bow thruster allow easy maneuvering in the harbor. With a mainsail furling in the mast and a genoa furler, it is easily maneuvered by a reduced crew. The cockpit, a true outdoor lounge, offers an unparalleled view and precise control thanks to the two steering wheels. **Maintenance and General Condition**: The 2004 Bavaria 49 has been meticulously maintained by its previous owners. The partitions and finishes are in rich mahogany, contrasting with the white ceilings and tops. All necessary revisions and maintenance have been regularly carried out, ensuring a general state of good condition. The boat is ready to set sail today; it has just returned from a cruise to the Tuamotu Islands. **Location and Advantages**: Located in Tahiti, this sailboat offers an ideal starting point to explore the paradise islands of French Polynesia. Sail between turquoise lagoons, discover white sandy beaches, and enjoy the rich and welcoming local culture. **Price and Opportunity**: The 2004 Bavaria 49 is offered at a competitive price, providing an excellent opportunity to acquire a quality sailboat at a reasonable cost. Do not miss this unique chance to own a boat that combines elegance, performance, and comfort.
