Owner's Comments

ALU MARINE 52 DI - An Exceptional Boat for Great Voyages

I present to you my **ALU MARINE 52 DI**, a **superb long-distance sailing yacht** that has completed more than two world tours as a couple since 1999. This sailboat is **perfectly maneuverable by two**, even alone. Indeed, when I broke my leg in Australia, my partner maneuvered the sailboat alone across the Great Barrier Reef, the Torres Strait, and the Arafura Sea to Darwin, covering 2000 nautical miles.

Comfort and Performance

This sailboat has brought much satisfaction, performing well even in light winds and remaining extremely comfortable. It has been **always maintained** with care, and all maintenance invoices are available. It underwent a complete overhaul before departing France and was maintained in shipyards in Trinidad, Tahiti, New Zealand, Thailand, and South Africa.

Equipment and Amenities

The **ALU MARINE 52 DI** is equipped with everything necessary for long and comfortable voyages:

- **Perkins engine** of 84 HP with 3400 hours
- **Bow thruster** in tunnel
- **Generator** Piccolo 4 (August 2022) 4.8 Kw
- **Desalinator** Dessalator 60 l/h 12v
- **Autopilot** Autohelm from 2020
- **Mainsail** and furling genoa
- **Tender** semi-rigid inflatable Hipalon 9' on davits

Maintenance and General Condition

Although this boat is in excellent condition, it now needs a **hull cleaning**. Its covers are a bit worn, and the white paint needs touch-ups in some places. Nevertheless, perfectly equipped, it is ready to continue sailing and offer you unforgettable adventures.

Why is the ALU MARINE 52 DI interesting to buy?

The **ALU MARINE 52 DI** is an exceptional boat for several reasons:

- It has proven its reliability by completing several world tours.
- It is designed to be easily maneuvered, even solo.
- It offers exceptional comfort, even during long voyages.
- It is equipped with everything necessary for safe and comfortable voyages.
- It has been well maintained with maintenance invoices available.

This boat is perfect for those seeking maritime adventures without compromising on safety and comfort.
