Owner's Comments

VAN DE STADT PHOENIX CC - Used Sailboat for Sale

Description

I am selling my **VAN DE STADT PHOENIX Cockpit Central**, a **classic sailboat** from 1976. It is currently located in **South Africa** and has a berth in the marina. This boat was fully refurbished in **2017**.

History of Van de Stadt Shipyard

The Van de Stadt shipyard was founded in the **Netherlands** and is renowned for building robust and high-performance sailboats. Since the 1930s, Van de Stadt has designed and built boats that have become very popular for their quality and durability. The shipyard has evolved over the decades to incorporate modern technologies while preserving craftsmanship. Van de Stadt boats are appreciated for their ability to sail in various conditions, making them suitable for both cruising and racing.

Phoenix CC Model

The **Phoenix CC** model was built between the 1970s and 1980s. This model is particularly appreciated for its classic design and robustness, making it a popular choice among traditional sailboat enthusiasts. The Phoenix CC is often used for coastal cruising and long crossings, thanks to its ability to offer comfort and safety.
