Used Mayotte 47 Transworld Sail Catamaran for Sale

Description

I am selling my **Mayotte 47 Transworld Sail Catamaran**. Architect **Alex Simonis** designed the **47? Mayotte Trans World Cruiser Catamaran**: "When Innovation Meets Performance".

Design and Expertise

Alex Simonis, renowned naval architect, has been shaping the world of yacht design for decades, creating vessels that combine speed, efficiency, and comfort. His expertise in high-performance multihulls has given birth to revolutionary designs that excel both in racing and long-distance cruising.

Catamaran Features

The **47? Mayotte Trans World Cruiser**, a masterpiece of Simonis' vision, is built for offshore sailing, offering exceptional stability, spacious accommodations, and cutting-edge technology. With an elegant hull design, optimized for efficiency and speed, this catamaran is perfect for adventurers seeking both luxury and reliability at sea.

Exceptional Comfort and Craftsmanship

- **Spacious Living Areas:** Four double cabins with private bathrooms offer high-end accommodation for family or crew.
- **Elegant Finishes:** Fully renovated interior with a modern design, complemented by a Burmese teak deck.
- **Simplified Onboard Living:** Equipped with induction cooktops, refrigerators, freezers, and a washing machine for long voyages.

Top Performance and Self-Sufficiency

- **Long-Range Capability:** Easy to sail over 180 nautical miles per day, designed for efficiency and speed.
- **Energy Independence:** Solar panels, lithium-ion service batteries, high-capacity alternators, and a generator ensure uninterrupted navigation.

- **Advanced Navigation & Safety:** Autopilot, radar, anti-theft alarm sensors, and a desalinator allow for complete autonomy at sea.

Optimized Sailing Experience

- **Versatile Sail Plan:** Equipped with new mainsail and genoa (2017), a gennaker, and a storm jib, ensuring superior performance in all conditions.

- **Diving & Maintenance Equipment:** Includes an air compressor for hull and diving equipment maintenance, perfect for ocean exploration.

History of the Shipyard and Model

The Voyage Yachts shipyard, based in the United States, is renowned for the construction of high-quality catamarans since the 1990s. The Mayotte 47 model, in particular, was designed to offer a perfect combination of performance and comfort, making it a popular choice among sailors seeking to explore the seas worldwide. This model was produced between the 1990s and 2000s and is particularly appreciated for its long-distance cruising capabilities and onboard comfort. The Mayotte 47 is often used for transoceanic voyages and family cruises, thanks to its spacious accommodations and sea stability.

Why is this Mayotte 47 Transworld interesting to buy?

The **Mayotte 47 Transworld** is an exceptional catamaran, ideal for long cruises thanks to its complete equipment and rigorous maintenance. Its design by Alex Simonis and construction by Voyage Yachts make it a safe choice for long-distance sailing enthusiasts. Moreover, its size and accommodations offer optimal comfort for life on board, making it a perfect choice for maritime adventurers.
