History of the Bénéteau Shipyard

The Bénéteau shipyard was founded in 1884 by Benjamin Bénéteau in Saint-Gilles-Croix-de-Vie, France. Initially specialized in the construction of wooden fishing boats, the shipyard diversified in the 1960s to produce pleasure boats. Bénéteau has become one of the world leaders in the construction of sailboats and motorboats, with a reputation for innovation and quality. The shipyard has known great success thanks to its modern designs and advanced technologies, which has allowed Bénéteau to establish itself in many countries around the world. Bénéteau boats are recognized for their performance, comfort, and aesthetics, making them a popular choice among boating enthusiasts.

Why is this Bénéteau Oceanis 34.1 interesting to buy?

The **Bénéteau Oceanis 34.1** is an exceptional sailboat, ideal for cruising thanks to its complete equipment and rigorous maintenance. Its design and amenities offer optimal comfort for life on board, making it a safe choice for boating enthusiasts. Additionally, its size and modern equipment make it a versatile boat, capable of sailing safely and comfortably over long distances.
