Owner's Comments

Discover the Used Maverick 440 for Sale

Step aboard my **Maverick 440**, the pinnacle of South African bluewater cruiser design, built by **Maverick Yachts** in Cape Town. Specifically designed for long offshore passages, this **2022** vessel, launched in **2023** and ready to sail, combines robust ocean-going capabilities with elegant comfort.

A Pedigree of Performance

Derived from the renowned **Maverick 400** and designed by **Phil Southwell**, the Maverick 440 features elongated skirts for enhanced load capacity and smooth, efficient handling. Built to **CE Category A - Offshore** standards, it's a true bluewater cruiser made for the world's blue horizons.

History and Success of the Maverick 440

The **Maverick 440** was introduced in **2016** as a natural evolution of the Maverick 400, with larger transoms and integrated swim platforms that increase the waterline length, resulting in higher speeds and increased load capacity. This model was built to meet the needs of owners looking for a boat that is both high-performance and comfortable for long-distance travel. The Maverick 440 is constructed using lightweight building techniques and high-quality materials, making it a popular choice among sailors worldwide.

Spacious Comfort Combined with Practicality

The extra-wide hulls allow for impressively generous aft cabins, each featuring queen-size, extra-long, island-style beds - ideal for restful nights at anchor. The increased beam offers not only luxury but also exceptional load capacity - essential for an autonomous seafaring lifestyle.

- Spacious cabins
- Queen-size beds
- Exceptional load capacity

Spacious Engine Compartments

Its engine compartments are spacious and accessible, a rare feature that will be deeply appreciated by owners or crew who get their hands dirty. A versatile starboard forward cabin can function either traditionally or as a crew cabin with its own compact toilet, sink, and shower - complete with direct access to the deck.

Technical Specifications

- **Overall Length** : 13.3 m / 43.6 Ft
- **Waterline Length** : 12.3 m / 40.3 Ft
- **Beam** : 7.45 m / 24.5 Ft
- **Draft** : 1 m / 3.2 Ft
- **Mast Height** : 18.3 m / 60 Ft
- **Mast Height Above Waterline** : 20.1 m / 65.9 Ft
- **Displacement** : 9930 kg / 21'892 lb
- **Fuel Capacity** : 2 x 400 l / 2 x 106 US gal
- **Fresh Water Capacity** : 2 x 500 l / 2 x 132 US gal
- **Engines** : 2 x 40 Hp
- **Main Sail** : 68 m² / 731.9 sq ft
- **Genoa** : 43 m² / 462.8 sq ft
- **CE Certification** : Category A

Why the Maverick 440 is Worth Buying

The **Maverick 440** is worth buying for several reasons. It offers spacious interior accommodations and exceptional comfort, ideal for long sea voyages. Its lightweight and robust construction ensures smooth and efficient handling, while its spacious engine compartments facilitate maintenance. Additionally, its exceptional load capacity and generous cabins make it a perfect choice for families or couples looking to live aboard. Finally, its CE Category A certification guarantees its safety and reliability for ocean crossings.
