Owner's Comments

I am selling my Maverick 440 Catamaran. Step aboard the Maverick 440, the pinnacle of South African offshore cruiser design, built by Maverick Yachts in Cape Town (South Africa). Designed specifically for long-distance voyages, this 2022 vessel, launched in 2023 and ready to sail, combines robust ocean-going capabilities with elegant comfort. **A Performance Pedigree** Derived from the famous Maverick 400 and designed by Phil Southwell, the Maverick 440 features extended skirts for enhanced load capacity and smooth, efficient sailing. Built to CE Category A - Offshore Ocean standards, it's a true blue-water cruiser made for the world's open horizons. **Spacious Comfort Combined with Practicality** The extra-wide hulls provide impressively generous aft cabins, each featuring extra-long, island-style queen-size beds - ideal for restful nights at anchor. The increased beam not only offers luxury but also exceptional load capacity - essential for an autonomous lifestyle at sea. Its engine compartments are spacious and accessible, a rare feature that will be deeply appreciated by hands-on owners or crew. A versatile starboard bow cabin can function either traditionally or as a crew cabin with its own compact toilet, sink, and shower - complete with direct access to the deck.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.

Owners may make errors or changes without notifying us. This information is not contractual and does not bind XBOAT in any way. It cannot be opposed by a visitor or a buyer.
